

Chained to the past?

You may think you don't know anyone who has been sexually abused, especially if your friends are Christians; but statistics show otherwise. Sexual abuse knows no religious or social boundaries.

The Wounded Heart

Tuition: \$300

PLI offers a course just for women--those who experienced childhood sexual abuse as well as those who want to help. Linda Oelze leads the study based on the book *The Wounded Heart*. As participants take an intensely personal look at this most "soul deadening" form of abuse, they find hope, the burden of memories lifted, and heart healing through Christ. Besides reading and writing assignments, students participate in ten two-hour online chats.

Walking with the Wounded Heart

Tuition: \$300

The companion class for husbands of women who experienced childhood sexual abuse (and also for pastors and other men who want to help) is taught by John Oelze (pastor, counselor, PLI eProf). This study provides direction and hope for men who commit to walking with their wives through this lifelong journey. The text and format is identical to that of "The Wounded Heart."

[Although not required, we strongly encourage couples to take these two course at the same time.]
